

Montevideo, January 27, 2024.

Dear Sirs.
Western Sahara Resource Watch
Present.
Our highest consideration.

In response to your request of information dated as of December 29th, 2024, please note that the GLOBALGAP IFA v5.4-1 GFS certifications have been issued by LSQA S.A. (hereinafter, **"LSQA"**) in accordance with the guidelines defined by GLOBALGAP, institution issuing the certification guidelines and whose competence is to prove the suitability of the respective certification bodies for the application of such guidelines.

For this purpose, LSQA has based its actions on the affidavits issued by the client requesting certification prior to the start of the audit process, being the responsibility of the client to ensure the veracity of what is stated in all aspects, including its corporate location in accordance with the formal documentation of its incorporation.

Additionally, LSQA has conducted investigation regarding the company's formal documentation relevant to the process, resulting in it being issued by Moroccan authorities.

Finally, it should be noted that LSQA remains committed to the standards defined by GLOBALGAP and is available to adapt the procedures applied if this is provided for by GLOBALGAP.

Yours faithfully,

Ing. Jorge Arismendi
Executive Director
LSQA S.A.
